Key Thought

- We believe to understand, we don't understand to believe
- To believe means to have a "deep rooted conviction" of what you believe in, which moves you towards this new reality.

Questions

1. Unbelief will keep us out of His kingdom life for us. There was a man in Mark 9:24 who said, "I do believe, help my unbelief." This was all in relation to his son who had a spirit within him. What are your thoughts around this statement "I do believe, help my unbelief".

How does one say I believe while say help me with my unbelief?

2. How would you have described what "belief" or "to believe is" before this message? How would you describe it now?
3. God promises an absolute reality in Him. How do we respond to these absolute promises, in faith or fear and why?
