Questions

1. Why is devotion to prayer, being filled with the Holy Spirit and believing so essential if we are to become a transformational family?
2. When you read Acts 4 & 5 can you relate to the way the family of God are living and why?
3. Why do many followers know how to be committed and devoted to their natural families but in general are not as committed and devoted to becoming spiritual family?
4. How essential is it that this reality changes?
