Key Scriptures

Ephesians 2:1-10

1 John 2:15-17

Colossians 2:20-23

Key Points

- The foundation and starting point of our faith must be the revelation of Christ and his promises for us.
- The works that God is looking for come out of the inner transformation that he has done in us.

Questions:

1. Why is it so important that we see the promise of God and not just the 'problem'?
2. What does it mean to live according to the course of this world? In contrast, what does it mean to live according to our heavenly calling?
3. Ephesians 2:10 says God has prepared specific works for us to walk in. What does this mean? And what are the works that he is interested in?
