Scriptures:

John 7:37-39

John 4:7-30

Questions:

1. After hearing the message tonight explain the difference between a fully surrendered follower of Christ and someone who is an incorporated follower of Christ.
2. What role does the state of the heart play in determining which position in Christ we live from?
3. Why is one position able to access all that is in Christ, and live from this reality, while the other isn't?
4. If we are being honest, transparent and vulnerable before God and one another, knowing that in Christ there is no condemnation, which position do you recognise you are presently in and why?

Action point: What do you sense you need to do about this?

Practical Exercise:

Select **ONE** of the following passages of scripture below and spend some time mediating and marinating on it. Ask your self what is the core truth the writer of the passage is communicating and wanting the reader to know and understand. Write down your conclusions.

The next thing to do is take each verse at a time and ask questions of each verse, writing down any insights, thoughts and ideas you receive. Allow yourself to ponder any other verses that come to mind which might relate to the verse you are looking at, and write all these thoughts down.

There will be a picture that will be starting to form of all the thoughts and ideas the Holy Spirit is speaking to you about.

Things to look for:

The main theme or core truth that the writer wants us to know.

Who is the writer speaking to?

Are there absolute statements being made? Look for the words “so that” as there will be a very definitive outcome that is associated with this.

The context to which the writer is speaking.

Look before and after the passages to gain greater understanding of the context, and how the passages fit into the bigger picture.

John 15:1-11

Ephesians 3:14-19

Deuteronomy 8:1-20

1 Corinthians 2:1-16

We will look to get 2 people up each night over the coming weeks to share what they received from doing this exercise.
