Message Title: **Winter and Wilderness 1.0**

Key Scriptures:

Genesis 12 – Exodus 3

James 1:2-4

Main Points:

1. God has promised Israel (and His Church) a glorious future.
2. God keeps His promises.
3. We have a part to play in the fulfilment of those promises.
4. Our part in God's great plan for the Church is greater much than any plans we might conceive for ourselves.
5. God uses the circumstances in our lives, both good and difficult, to draw us closer to Him, refine our character, and reposition us in line with our destiny.
6. We need times of trial and tribulation to disciple us into the people of God w need to be and to move us in line with God's great plan.

Questions for Life Group Discussion:

1. What has God promised about the future of His Church?
2. How is God moving now in the fulfilment of those promises?
3. How might our season at The Rock at this time be honing us for God's greater plan for the Church?
4. How is God using my circumstances to draw me closer to Him and refine my character?

Pray for each other...

- That we have sight to see the bigger picture of God's plan for His Church and the part we might play in that.
- Faith to trust God in times of struggle.
- Humility to surrender our plans to God's greater plan.

For your meditation this week...
