The word of the cross - Christ crucified, puts to death the wisdom of the world within us and births the wisdom of God within us.

Questions

1. Why is the wisdom of God so opposite to the wisdom of the world?
2. Paul said "I didn't come with persuasive words but with the demonstration of the spirit and power." Why is it so important this was the case? Why is it so important it is our reality also?
3. The word of the cross, Christ crucified is the power of God to those being saved. Why is this the case?
