Key Points

- Jesus was fully dependent on God's power to be a witness, a martyr.
- Jesus lived His life on earth in and under the anointing of the Holy Spirit. He lived in and from the power of God operating in Him and He knew that He could do nothing of any eternal value, without this way of being.
- Jesus overcame every situation, circumstance and trial as a man. Jesus overcame everything through the power of God operating **IN** Him, which means we to can overcome everything through His power.
