Questions

1. Put yourself in the shoes of the Leper and the man with which multiple demons were present, and ask yourself what feelings would you be experiencing, the moment God's kindness met you?
2. How do you think His kindness would affect the way you live from this moment on?
3. Share with the group your testimonies of God's kindness towards yourself and others you know?
4. Why is moving toward God to experience more of His kindness so vital in our relationship with Him and what must be demonstrated by us in this moving forward?
