## **Key Thoughts**

New Creature/Creation in Christ, not old life modified

God is raising His priests according to the power of an indestructible life, not on the basis of the requirement of a physical law. It's on the power of the Spirit.

How much of our sanctification is legalistic behavioural modification or a genuine work of the spirit?

Q: what was the question the rich young ruler asked Jesus?

A: what shall I do to inherit eternal life? Not eternity but eternal life

2 Questions for us to unpack
