Questions

1. Do you have a Story?
2. Whose Story are we feeding from? Ours? Other's Stories? His?
If we are honest we will know this by whose story we are speaking when engaging with someone.
3. If our words have the power of life and death, what reality are we declaring over and for ourselves? Our story or His story?
4. What story would you hope to be in and declaring moving forward?
