Key Points

- Entanglements keep us from entering into the life Christ has for us.
 - Where we are looking, who we are looking to, and what we are looking at, will determine the freedom we can know and experience.
 - The key to being released from our entanglements lies in having our minds renewed by receiving revelation of the word of God.

Questions

1. Martha was entangled in much and Jesus stated this by saying, "You are anxious about many things." Why do you think Martha was "entangled in much"?
2. What was Jesus' solution for Martha's entanglement?
3. We can be entangled with things and not even be aware of it. What kind of things can we be entangled in?
4. Why is having our minds renewed by God's living word the key to freedom?
5. How have we struggled with entanglements and where are we at with these today?

Get the group to pray for one another for the release of these things by the power of His word.
