Questions

1. How much of your walk with God has been His divine power operating in your life as opposed to your own attempt to change you?
2. Paul said he 'strived in the purposes of god in accordance with the power of God mightily working in him. Can you relate to this power operating in your own life?
3. Why is a living conviction of truth so more powerful in our lives than just a mental agreement with truth? Which one do you relate to more?
4. What has impacted you the most about these 2 messages and what changes, if any, do you need to make to live in this new born again life of the spirit?
