**Key Point**

The commandments lead to eternal life

Eternal life is abundant - if you come through the commandment it is not burdensome.

Are we functional or relational?

**Questions**

1. How many of us can relate to the rich young ruler and why?
2. What areas of your life need to be relinquished to Christ so you can experience greater eternal life in you?
3. How have we found keeping and walking out the commandments the way Christ intends us to. A burden or a delight?
4. An eternal life is an abundant life. How would you describe the life you are currently in?
