Key Points

Pressure tests enable the following to happen in our hearts and minds:-

1. Walking in the fullness of Freedom in Christ is possible
2. Walking in the power of the Spirit of Christ is possible
3. The absolute assurance that the Spirit is with us through every circumstance working out His good.

Questions

1. What did you hear the Spirit speaking to you about through this message?
2. Do you believe that the fullness of Christ is something to be obtained now, for eternity or both? Why?
3. What blockages can you identify that prevent you from walking in the fullness that Christ is calling us to? Spend time in prayer if necessary to seek the Lord on what these might be. There may be need for repentance required to receiving healing and freedom.
4. Can you testify to pressure tests in your life that have produced a changed heart and mind posture to the way you relate to God?
5. Pray for each other that every day we would be more drawn to His ways and allow Him to freely do the work that is required to mature us and become His bride.
