**Key Scriptures:**

Ephesians 1:5-6

Romans 8:17

Hebrew 2:10

**Key Points:**

Understanding our identity in Christ is absolutely essential, in order for us to receive and live in the promises of God.

The sons of God are those who live for the Father's will and not their own.

Sons bring glory to the Father when Christ is formed within them.

**Questions:**

1. Why is it so important that we know we are sons (our identity in Christ)? And how does this alter our relationship with God and one another?
2. What is the will of God? And how do we know that we are living for his will and not our own?
3. In Hebrews we read that Jesus is 'bringing many sons to glory'. What does this mean? And what does it mean to glorify God?
