**Scriptures:**

1 Corinthians 12:10  
John 6:1-14 & 26-40

**Questions:**

1. What is the purpose of the “effecting” of miracles? Why has God given this gift to the body? Who are they to point towards?
2. What is the importance/value of the gift of miracles for the body of Christ? Should we expect that God works miracles as part of our day to day lives?
3. The Jews asked Jesus repeatedly to perform signs and wonders - why was He opposed to this kind of attitude/desire?
4. Can you think of any practical examples of when the miraculous has had an impact on your life?
