

# LOVE

**Theme:** Love 33

**Discipleship groups purpose:** Each member being transformed into the image of the Son.

**Key Truth:** God's Love in Action.

**Key Scripture:** *Luke 7:36-50*

What does God's Love look like in action? What is an example of a physical demonstration of God's love being manifested in the earth?

I believe a perfect example comes from the above passage of scripture.

Group exercise for the night is to read out loud the passage as a group and ask questions of the scriptures.

**Questions:**

1. What do you see?
2. What are you observing is going on in this passage?
3. What is each person doing in this passage?
4. Why is this lady able to love the way she is?
5. Which character may you possibly be if any?
6. What conclusions have you come to from marinating and partaking of and in this food?

**Action:** What are you being made aware of through this resource and is there one thing you need to put in place from going through this resource?
