

# THE LIFE CHANGING GOSPEL

**Purpose of the value of Discipleship being lived out:** being made into the image of the Son

**Key Theme:** The Gospel

**Key Truth:** The gospel changes us from the inside out

**Key scriptures:** *1 Corinthians 9:23, Galatians 2:20, Galatians 1:11-16*

The gospel is something we experience deep in our inner most being. The gospel is the instrument God uses to pierce our hardened heart which we are all born with and brings us into the life of His Son Jesus Christ within us.

1 Corinthians says we are to partake of the Gospel. Hebrews 3:14 says we are partakers of Christ. We partake of Christ, meaning we eat and drink of Him through the work of the gospel of power. As we receive Jesus Christ, the power of God in us, the resurrection power floods our inner most being and we have become crucified with Christ.

***Galatians 2:20 I have been crucified with Christ.***

We receive the gospel which is the power unto salvation and we now find ourselves with a new created life within us, Christ in us, which enables us to live as Christ did to the measure we received.

This life is birthed within us and it is not received or taught by man, but directly through the Spirit revealing Christ within us. It is this that enables us to no longer live for the god of self will, to which we were once in bondage. We are set free on the inside and start the journey of the Spirit.
