MARRIAGE PART 20 - BEING THE LIVING DEMONSTATION OF THIS WISDOM

Part 20 will be dedicated to the living out, or the living demonstration of, this divine wisdom between the husband and the wife. If both the husband and the wife are being and becoming these spirit filled and led people, which we discussed in part 19, then there will be a tangible manifestation of this divine wisdom on earth for people to see, touch and experience within this marriage covenant.

Not only will this couple experience this divine wisdom between themselves but also anyone who comes into contact with this couple will experience this wisdom first hand.

This is the reality that God entrusts to His children, because He has given us everything pertaining to life and godliness.

2 Peter 1:3 seeing that His divine power has granted to us everything pertaining to life and godliness, through the true knowledge of Him who called us by His own glory and excellence.

There can be no excuses from God's people. This eternal Scripture declares God's power has granted us everything we need for life and godliness. In other words, we have everything we need through His power to live out the standard of wisdom He calls us to.

Luke 7:35 "Yet wisdom is vindicated by all her children."

Matthew 11:19 The Son of Man came eating and drinking, and they say, 'Behold, a gluttonous man and a drunkard, a friend of tax collectors and sinners!' Yet wisdom is vindicated by her deeds."

Ephesians 3:10 "so that the manifold wisdom of God might now be made known through the church to the rulers and the authorities in the heavenly places."

The question then becomes, have we, and are we experiencing God's resurrectional power in us and through us, giving us this true knowing of Him, which enables us to live.

Wisdom is not intellectual knowledge attained through human learning. Wisdom is the demonstration of God on the earth through the church. This is why Jesus was the wisdom of God and why the church is built on the revelation of the Christ.

1 Corinthians 1:24 "but to those who are the called, both Jews and Greeks, Christ the power of God and the wisdom of God."

Marriage

The word vindicated in Luke and Matthew means 'to prove'. Truth is self-evident, so the demonstration of our lives is the proof we 'know Him' and live our lives from being 'in Him'.

1 John 2:3-6 "By this we know that we have come to know Him, if we keep His commandments. The one who says, "I have come to know Him," and does not keep His commandments, is a liar, and the truth is not in him; but whoever keeps His word, in him the love of God has truly been perfected. By this we know that we are in Him: the one who says he abides in Him ought himself to walk in the same manner as He walked."

Things can't be any clearer than this. We can see God defining His conclusions and His absolute truth through all these verses.

What is left is our true asking of where we are really at in relation to being able to demonstrate this eternal way of living as a husband or a wife.

We must take a good look in the mirror and then fix our eyes on Him and allow Him to perfect His work in us through our yielding. He promises He will perform this work if we allow it.

Philippians 1:6 "For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus."
